

NEWS FROM THE CJLA

Can you believe that it is already July! January through June sailed by at warp speed - that's for sure! In this update, you will find the current points for all members in all the divisions. The only show that has been held that I do not have recorded in these points is the Bar Ale Circle of Champions @Chico State Shows A & B. The points from this show will be reflected in the next update in the August/September issue. Once again, please check for your name and points in your divisions and if you have any questions, please call or email me at cjlainfo@yahoo.com. You can also send me an email through this website. Do not wait until the end of the year as it is much easier for me to check my records and show results immediately rather than in December!! If you have attended more than 8 shows, your top eight shows are included in the total listed here. There are still more shows to be held in all divisions, so you still have the chance to better your totals for the year-end standings. It already looks to be a race to the end in many divisions - and you have all been awesome to support the jackpots that sanction with the CJLA!!

The updated points are also listed in each issue of the Pacific Showcase magazine

One more thing I would like to mention here. February 2011 may sound like a long ways away, but if the second half of the year sails by as fast as the first half did, then it will be here in a blink of the eye. February 2011 is the date of our annual CJLA Award Banquet and we are already planning for that special event. Our Award program relies entirely on the generous donations of the many people and businesses that support the CJLA and its members, and your help is needed in order for us to meet our goals. I would like to ask you to please spread the word about the CJLA and your participation in the association, and to ask for donations from those who you think would be interested in supporting the award program. If you need more information from us, just let us know and we can contact them or provide you with forms and information to pass along. As an added incentive, each year we give a SPECIAL PRIZE to the person who brings in the most sponsorships, so keep that in mind as you talk to people about the CJLA!!!

Until next time, keep on showing - and have fun!
